Come join the BCBSM Retiree Association at the Great Lakes Crossing off of I-75 to visit the new Sea Life Aquarium. It is a self-guided tour and has staff facilitators at many of the exhibits. It is located at Entrance 7 in the South East corner of the mall across from the Rainforest Cafe and near the movie theater. Park close, so you won't have a long walk. Lunch is on your own. Suggestions are Bar Louie or Rainforest Cafe which have items under \$10 per person.

Reservations for the Aquarium are due on October 21, 2015
